Terms and Conditions

TERMS.—Cash, unless otherwise arranged between consignor and buyer.

GUARANTEE.—This Association assumes no responsibility for the future outcome of animals. Consignors agree to sell according to the following guarantee:

Guarantee Endorsed January 7, 1921, by American Shorthorn Breeders' Association.

1—Proper care shall be given to protect breeding qualities and health of animals.

2—All bulls guaranteed breeders. A bull should not be allowed to serve when under fourteen months of age or allowed to run with herd while under twenty months.

3—Cows with under four months calves by side are considered proven breeders.

All other cows and heifers sold as a single lot guaranteed breeders; calves, however, sold by side of dam as one lot not guaranteed.

Heifers should not be served for first calf by heavy or old bull.

Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months.

Heifers not settled when twenty-two months old shall be promptly reported. (Heifers over sixteen months sold open, not settling within six months of date should be promptly reported.)

4—Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of purchaser, or purchase price refunded, with no allowance for expenses or interest on money. Salvage to go to seller.

5—All animals offered at public auction sold subject to a sixty-day retest, or to comply with laws of state into which animals may be shipped.

Animals to be segregated from buyers' herd until retest is made except herd be an accredited one.

All tests for tuberculosis—either test before sale or retest—should be made by a Federal or State Veterinarian or Veterinarian deputed by State Veterinarian, who is co-operating with Federal Veterinarian and qualified to do accredited herd testing.

RISK.—All animals at buyer's risk as soon as bid off. The association will see that cattle are loaded on cars free of charge, but assume no responsibility for accidents to animals or by them.
